Pegasus Presents

Vet Talk:

Lyme Disease
and Ehrlichiosis in
Cats and Dogs

Wednesday, March 10, 2010 @ 6:30pm

Dr. Jean Quaintance of Mill Plain Veterinary in Danbury, Connecticut, will hold a seminar on Lyme disease and ehrlichiosis in cats and dogs. She will focus primarily on treatment and prevention strategies. A Q&A session will follow Dr. Quaintance's presentation. This public event is free of charge.

**Lower level conference room, Pegasus Farm administrative office.
